

## He Restores My Soul Craft Project

### Supplies per child:

Each child's play box  
Water paints  
Paint brush

### Instructions:

Have the children paint the 'top' to their play boxes, which is what is normally the bottom. They can paint the words "23rd Psalm" and/ or a pastoral scene with blue sky, puffy white clouds, green pastures, blue still waters, sheep, and a shepherd. They may paint the sides also if so desired.

\* There isn't a specific craft that demonstrates "He restores my soul", which is why in this lesson the boxes are painted. After the paint has dried, you may have the children open their boxes and play 'cast sheep'. The shepherd searches and finds the cast sheep and restores him to his feet.
